Zerista Live Conference App!
Personalize your event experience by identifying the sessions, exhibitors, speakers and other show features that interest you most. Mark them as your favorites. Manage your agenda with sessions, appointments, and connections all on your computer and take them with you to the show. If you have a smartphone, you can sync your plan to your phone when you login to both the website and mobile app!

Go Mobile!
When you use the Zerista Live mobile app, all of your preferences, appointments and favorites will already be there for you; your log-in details will be the same!

Select your mobile device to download the mobile app:
